PIC/B-5/60

BEARING PLANT No 6, SVERDLOVSK, USSR. The major components shown are described in the key to annotations.

KEY TO ANNOTATIONS

- Assembly building, flat roof with one monitor, single story, 390' x 90'.
- Storage building, flat roof, single story, connected to item 1 by 2. covered passageway, 390' x 70'.
- Probable warehouse, gable roof, single story, 130' x 25'. 3.
- Warehouse, gable roof, single story, 120' x 35'. 4.
- Warehouse, gable roof, single story, $100' \times 60'$.
- Warehouse, gable roof, single story, 80' x 35'. 6.
- 7. Probable small secured area.
- Assembly building, longitudinal monitors, single story, irregular 8. plan, main section 385' x 190', adjacent section 190' x 160', end section $90' \times 50'$.
- Machine shops, flat roof with one monitor, single story, irregular shape, roof area approximately 22,000 sq. ft.
- 10. Warehouse, gable roof, two stories, 280' x 55'.
- 11. Probable machine shop, flat roof, single story, $105' \times 40'$.
- 12. Probable administration building, gable roof with dormers, two stories, $90' \times 65'$.
